From

B. Ramakrishna Row, Esq.,

President of the Managing Committee of

His Highness the Maharaja's Sanskrit College,

MYSORE.

To

K. S. Chendrasekhara Iyer, Esq., B.A., B.L.,

Secretary to the Government of Mysore,

General and Revenue Departments,

Muzrai Branch,

Camp MYSORE.

Sir,

I have the honor to submit herewith for early orders of Government, a copy of the Proceedings of a meeting of the Managing Committee held on 29th September 08 relating to the Vidvat Examination held in the months of August and September 1908.

I have the honor to be,

Sir,

Your most obedient servant,

B Ramakrishna Row

President.

Proceedings of a Meeting of the Managing Committee of His Highness the Maharaja's Sanskrit College, Mysore, held in the Quarters of the Palace Officer at 3 P.M. on Tuesday 29th September 1903.

Present. Mr. B. Ramakrishna Row.
Mr. A. Mahadeva Sastri.
Mr. M. Hirivanna.

Read the results of the recent Vidvat Examinations held from the 27th August. In all, 23 candidates applied for the Examination in the usual course. Of these regular applicants, 8 Candidates, one for Tarkasastra from Sringeri and the other for the Visishtadvaita Vedanta from Serangolam withdrew their applications before the Examinations commenced; and as they were the only candidates for the subjects mentioned, no candidate underwent examination in these subjects; 6 absented themselves from the examination; and of these one was the only candidate for the Sama Veda. Thus 15 candidates appeared for the Examinations. One of these is a candidate for the Krishna Majur Veda which is not divided into parts and he has passed in the first class. Of the others, 4 candidates appeared for both the parts I and II of their respective subjects; two alone passing in both the parts while the other two passed in the 1st part only. The remaining 10 appeared for only one of the two parts of their respective subjects: 7 only were successful and 3 failed. (Vide statement A hereto annexed).

Resolved that Rewards and Diplomas be awarded to the successful candidates as detailed in the statement B annexed hereto in accordance with the standing orders on the subject.

II.

II. Just before the Examinations began, two Pandits from Northern India presented themselves for Examination, one in Jyothisha and the other in Vyakarana. The Jyothisha Pandit was examined along with the other candidates, except in two papers in which he was examined separately as he did not study the same Text books as the local candidates. He has acquitted himself creditably and has been recommended for the second class prize of Rs.125/- with a Diploma. The Vyakarana Pandit was examined along with the other candidates in part II and alone specially in part I for which there was no other candidate. He scored the required number of marks in Part I but a few marks less than the minimum in Part II. However on the whole he obtained more than the minimum Viz., 516 our of 1000, 500 being the required number. Under the Rules he should be declared to have passed in Part I for which a prize of Rs.40/- is awardable; but he is a man of advanced age (about 60 years now) and is not likely to appear here again for Part II and his failure in Part II is attributable to the disadvantage of his not having had previous knowledge of the exact portions prescribed here in Mahabhashya, he however has studied much more than the specified portion. The Committee therefore recommend, as a special case, that he may be awarded a prize of Rs.100/- but no Diploma: Such liberal treatment in the case of Pandits from Northern India is not altogether unprecedented.

III. During the course of the Examination one candidate from the Salem District appeared for the Smarta-Prayoga in Sukla Yajur Veda. He was duly examined and has been declared to have passed in the second class. He has, accordingly been recommended for the usual prize of Rs.75/-.

IV. As there are no candidates for Nyaya or Sankhya this year,

the

the Committee recommend that Mr. Karpur Srinivasa Rao's prize of Rs.100/- be now awarded to Nerur Krishnachar who heads the list of the successful candidates in Vyakarana, in accordance with Government Proceedings No.1223-31.

No: 1329/1 [illegible]

Mysore,
5th October 1908.

Dear Mr Macnaghten

With the accompanying file the Inspector-General has sent for my approval the draft of a Kannada report of the results of the last Vidwat Examinations held in the Maharaja's Sanskrit College at Mysore. It has hitherto been the practice for the Inspector Secretary to read the report before His Highness at the Durbar held on the 13th day of Dasara (Wednesday the 7th instant) and prizes are also awarded to the successful candidates in the presence of His Highness.

Under the orders passed by His Highness on the 28th September 1908 regarding Palace Inspection Institutions, the Maharaja's Sanskrit College at Mysore, out of whose funds the cost of these examinations and of the prizes are met, has been removed from the control of the Inspector

Department of Government and placed under the Officer in charge of Palace Establishments. I am not sure therefore whether the present report, which relates to the examinations held in August and September last, is to be read by the Inspector Superintendent or by the Palace Officer. I shall be obliged by your kindly placing the matter before His Highness as early as convenient and communicating his orders to me.

Yours sincerely
M Ramachandra Rao
